1974 HOMECOMING THEME

We, as Christians, too often set goals in our lives which emphasize things and doing. But what really matters in each of our lives is God and being.

The joy of being a Christian is finding that Christ is only the beginning—the beginning of a love relationship between Him and us, His children, which is continually changing us into the persons we were intended to be.

By being students of Christ, we become His disciples!

HOMECOMING COMMITTEE
